Shipston PROMS 2023

17 JUNE - 1 JULY

SHIPSTON-ON-TOUR WARWICKSHIRE

a festival of music making for the whole community

www.shipstonproms.org

from *Classical* to Heavy Rock

Although there had been music in town in Shipston in 1998, the first music week took place in June 1999. It was officially named **Shipston Proms** the following year. This year celebrates 25 years of events. Now a two week festival, the Proms has become a highlight in the town's diary, and regularly gets mentioned in the national newspapers. It is unusual amongst festivals in that it covers as many genres of music as possible from Classical to Heavy Rock, and includes both local and national musicians of all ages. Previous headliners include **The Selecter, The Blockheads, Geno Washington and the Ram Jam Band, Dr. Feelgood, Chas** (of Chas & Dave) and last year **Rick Parfitt Jnr.**

The Festival is organised by a small independent group to provide a platform for the array of talent in the area and beyond. It is funded by small grants, local businesses, advertising, the raffle, and donations – so please give generously when you get an opportunity.

The headline on the last night is the rough, tough, and always rockin' boogie band **King Pleasure And The Biscuit Boys**. Local band **The DropOuts** will provide a dose of full-on Rock, and **The Weekend Warriors**, who were winners of the group section of our *Shipston Introducing* feature last year with their young singers, will be providing a mixture of favourite tracks.

We've got a **Ska** themed Launch Night, a **Tina Turner** tribute night with full band, an **Ibiza-on-Stour Dance Night**, and a night at the **Opera** with professional singers Anna Patalong and Benedict Nelson who live in Shipston. We've even got a **Taiko Drumming** workshop and performance. Add all the popular events from previous years including the **Cafés and Pubs Trail**, **The Cotswold Choir**, **Young Musicians** at Barcheston, the **Primary Schools Concert**, the **Shipston Music Society** classical piano concert, the **Open Mic** and **Songs From The Shows** – and we've got a wonderful fortnight of music in store.

Shop Window Competition

17th June – 1st July

We are inviting all the shops in Shipston to embrace the festival and **decorate their windows with a MUSICAL THEME**

The winner will receive a bottle of champagne to be announced on the last night of the Proms

Simply The Best
TINA TURNER
TRIBUTE

She has the voice, the mannerisms, spoke convincingly and whipped up a storm with 'The Best' and backed by a splendid band.....

Quote from THE STAGE – Newspaper for the entertainment industry

Plus FULL band and dancers

The feedback has been excellent, a couple of the members actually thought you were Tina Turner.

A lot of members have actually seen Tina live and have also seen many tributes, myself included, and you are by far the best tribute we have ever seen, you are so much like Tina in every way its quite unbelievable.
